
NOTICE NUMBER: 03-2018

TITLE: Successful Vendor of the Automobile Insurance Rate Board Review

DATE: April 24, 2018

PURPOSE

The purpose of this Notice is to provide information on the successful vendor selected by Treasury Board and Finance who will conduct a methodological review of the Automobile Insurance Rate Board.

The successful vendor is Ernst & Young LLP, in partnership with Mr. David Marshall. Their proposal was reviewed and selected using government's standard procurement process. The vendor's team members are well qualified to conduct the review as they possess audit, actuarial and accounting expertise, as well as substantial insurance experience.

We are confident that Ernst & Young LLP will conduct a thorough review that will provide for a current state assessment and will identify whether improvements can be made that will allow the Automobile Insurance Rate Board to best carry out its mandate.

The goal is to complete the review before November 30, 2018.
