

EPPA Update 17-02

Issued September, 2017

Filing Fee for Pension Plans effective October 1, 2017

In accordance with Section 153 of the [Employment Pension Plans Regulation](#), the Superintendent of Pensions advises that the annual filing fee rate in Alberta effective October 1, 2017 is \$2.50. This is a decrease from last year's rate of \$3.25 and is primarily due to a substantial increase in total plan membership. The annual filing fee payable is \$2.50 multiplied by the total plan membership. The minimum fee is \$250 and the maximum fee is \$75,000. This new rate applies to all annual information returns with fiscal year-ends in the range from October 1, 2017 to September 30, 2018.
